

Conference for Pastoral Planning and Council Development (CPPCD)

2008 Members Directory
www.nplc.org/cppcd

How to Use this Directory

Each member diocese is listed alphabetically, with the CPPCD members listed alphabetically under each diocesan entry. The primary member (in some cases, *members*) from the diocese is noted with **bold** type. Individual members are listed alphabetically after the diocesan members.

Because of the nature of the field, some of the entries will change between printings. You may always download a monthly updated copy of this resource at www.nplc.org/cppcd.

We hope this directory is useful to you in your ministry of pastoral planning and council development.
